

Delivery Policy

Free Shipping applies to all online orders if your postcode is classed as a standard UK mainland postcode by our couriers.

Orders are shipped via courier or Royal Mail as defined by weight. Items over 2 kilos are normally shipped by courier if the destination is classed as normal UK mainland.

Orders are despatched daily in accordance with our delivery manifests and Royal Mail logs.

Many items arrive next day; however, we ask that you allow three working days for delivery from despatch.

Any times quoted for delivery are estimates only and the Seller shall not be liable for failure to deliver within the time quoted.

Please note that we cannot offer a Saturday courier delivery service, though some Royal Mail deliveries may be made on a Saturday. Unfortunately we cannot offer a Sunday delivery service.

Delivery of the goods to the stipulated place of delivery shall constitute delivery to the Buyer.

All risk in the goods shall pass to Buyer on such delivery.

Whilst we endeavour to expedite shipments as fast as possible, Print It Now will not be liable for any loss or damage sustained by the Purchaser in consequence of any failure to deliver within such time or by such date or in consequence of the delay howsoever caused.
